

CAPABILITY STATEMENT

With over 40 years of hands-on experience, Chosen Industries delivers high-performance commercial construction services tailored to the technical demands of today's commercial and federal environments. From industrial warehouses to federal office facilities, we expertly manage complex scopes with precision, integrity, and confidence. We specialize in Division 10 specialties, commercial painting, and facility maintenance, executing every project on time, on spec, and without compromise. Our work supports a broad range of sectors, including healthcare, retail, financial services, education, public utilities, airports, and the federal government. At Chosen Industries, we don't just meet expectations—we exceed them through craftsmanship, communication, and a relentless commitment to getting it right the first time.
